Dear Fellow WHS Parents,

The Worthington Hooker Basketball Association (WHBA) is in need of at least two volunteer coaches if we are to continue to offer basketball for grades 1 and 2 in 2018-19.

Practices from 5:30-6:20 p.m. on Mondays, beginning November 19 and continuing through February & March (at the coaches' discretion).

Please let us know if you are interested in this volunteer opportunity.

Be assured that, even if volunteer coaches do not emerge for grades 1 and 2 this year, WHS students in those grades (even kindergarteners) will have the option of playing in the City Parks and Recreation league on Saturdays at John Martinez School (100 James Street).

Appreciating your consideration,

Josiah Brown (parent, 5 & 8)

Did You Know?

The word equinox comes from the Latin *equi* (meaning equal) and *nox* (meaning night) accounting for the equinox marking the time when day and night are of equal length. We often notice the nights begin to draw in from this point as after the Autumn equinox, the night longer than the day, until this is reversed at the Spring equinox. One of the most stunning signs of Autumn is the turning of the leaves. The shorter days are a sign to trees to begin to prepare for winter. During winter there is not enough light for photosynthesis to occur, so as the days shorten throughout autumn, the trees begin to close down their food production systems and reduce the amount of chlorophyll in their leaves.

The next SPMT Meeting will be held on Wednesday, October 24th starting at 3:15 PM at the Whitney Avenue campus in the conference room.

We will update you with committee members after the first meeting.

BRAIN TEASER...

I have forests but no trees. I have lakes but no water.
I have roads but no cars. What Am I?

Send your answer to Jamesa.Berry@nhboe.net

The first 20 people to get the answer correct your name will appear in the next Hooker Happenings!
